◆ WHAT YOU GET

Barcode Inventory Counting: what we deliver

Paper count sheets and manual entry invite errors. Our barcode and mobile-app solutions streamline physical inventory counting and reconcile it with your SAP records.

01

Barcode System Setup

Barcode technology for inventory tracking and counting.

02

Mobile App Setup

Mobile applications for field-based inventory counting.

03

Bin Location Verification

Verify and correct bin locations for accurate tracking.

04

Real-Time Synchronisation

Real-time data sync between mobile devices and SAP.

05

Inventory Reconciliation

Reconcile physical counts against system records.

BEST FOR

Warehouses and plant stores running annual or cycle counts on paper and spreadsheets.
